

■ Are We in the Last Days? – Prayer Guide

This short prayer guide is designed to help you draw near to God as you reflect on the signs of the last days. Rather than responding with fear, we respond with faith, hope, and readiness for Christ's return. Take a few quiet moments to pray through each section.

■ Prayer for Discernment

Lord, open my eyes to discern truth from deception. Keep me rooted in Your Word so I will not be led astray by false teachings.

♥■ Prayer for Love

Father, in a world where love is growing cold, help me to keep a tender and compassionate heart. Teach me to love my family, friends, and even strangers as You have loved me.

■■ Prayer for Holiness

Jesus, set me apart for Your purposes. Guard me from lawlessness and compromise. Give me strength to live in holiness and righteousness every day.

■ Prayer for Readiness

Lord, help me to stay awake spiritually. Keep me alert and prepared for Your coming. May I live each day as if You are returning today.

■ Prayer of Hope

Thank You, Father, that the end of all things is not fear but the promise of eternal life with You. Fill me with peace, joy, and courage as I await the return of Christ.

Scripture to Hold On To:

"When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near." – Luke 21:28
